THE DIOCESE OF MENEVIA

15th March 2016

Dear Parents/Guardian,

On Tuesday 22nd March all of Yr5 and Yr6 pupils have the opportunity to visit the Sealyham Activity Centre where they will have the chance to do some Coasteering and other Water Activities which fits in with the topic of 'Water World' which we are studying with the Darwin Centre.

The children must wear appropriate clothes for outdoor activities and the center does provide wetsuits, but they will need to bring swimwear & towel, plus a spare pair of old trainers to wear in the water. Preferably lace-up ones that will stay on in the water. Also if they have shorts that will fit over the wetsuits, we use these to protect the wetsuits when coasteering, but if they don't, we have some spare. They should also make sure they have plenty of warm clothing to put on when they get out of the water and to wear home. Also they will need a packed lunch (no glass bottles).

There is a charge of £20.50 per pupil from Sealyham but for a change the transport will be free. We will be leaving school at 8:45am promptly because we have to be at Sealyham for 9:30 start and we should be back to school for normal finishing time.

If you would like your child to attend the above, please fill in **both permission forms** attached and return as soon as possible.

Lastly, we do not wish any child to miss out on any school trips due to financial constraints, so if you are experiencing difficulties please do not hesitate in contacting me as soon as possible. Also as with all our outings, participation in all extra activities out of the classroom are subject to behaviour, exclusion will take place if any child misbehaves.

Yours sincerely,

S. Mansfield
Deputy Headteacher.
