ST. FRANCIS CATHOLIC SCHOOL
ICT CONSENT FORM 2016/2017

We are very lucky to have a set of iPads that play a large part in the pupils learning. They provide the pupils with opportunities to research using the internet, use educational apps, take photographs, make iMoves, and create iBooks and much, much more! As a school we require permission for pupils to use the internet on the iPads and computers and for any work that they produce, photographs and filming to transferred and stored electronically. Pupils will always be supervised when using ICT equipment. .

St. Francis Catholic School would like to take photographs and/or video recordings of pupils whilst they attend the school to celebrate their achievements and successes and evidence learning opportunities that the pupils have experienced for assessment purposes Still images may be published in our printed publications (e.g. School prospectus, newsletters, photo albums in school) and/or on our school website. Children's names will never be published alongside their photograph externally to the school but names may be used internally, for example – on a display.

Photographs may also be published for internal use only, as part of children's regular classroom work e.g. on classroom displays and to share educational achievements with parents. Electronic images, whether photographs or videos, will only be stored on the school's network and ICT equipment which is accessible only by authorised users.

If you are happy for your child to all of the above please sign the back of this form and return it to your class teacher as soon as possible as permission needs to be granted for each academic school year. Your child will not be permitted to use the internet until the form has been returned to school

Many thanks

Alternate Tel. No. as contact point in an emergency_____

ST. FRANCIS CATHOLIC PRIMAY NUT FREE SCHOOL ACKNOWLEDGEMENT FORM FOR 2016/17

Dear Parents,

We have 2 pupils with extremely severe Nut Allergies. The implications of this being that any child or adult who brings to school a nut related food could trigger an attack which could prove fatal. This means that we must be a Nut Free school. We are also a Healthy Eating school so all snacks bought into school must obviously not contain nuts and only contain fruit or vegetable batons. Packed lunches must also have Nut Free products.

As you will imagine this is an anxious time for the parents of these two children so with your help we aim to make the time when the children are in our care as worry free as possible for them and our staff.

I would be grateful if you will sign and return this letter to school. Please feel free to contact the school should you have any questions on this matter.

Yours sincerely,

S. Roberts
Headteacher
