

Friday 18th June 2021

Reminders

- There will be a second transition day for our Y6 pupils on Friday 9th July. They will attend Milford Haven School for the whole morning. We will communicate further details as we receive them. Please check the reverse of your letter to find the login password.
- Unfortunately, the Y6 leavers' photographs were postponed last week due to the weather. They will now take place next Monday afternoon. Please could pupils wear summer uniform?
- Next Friday we will be having a new telephone system installed, so the main school line will not be working. In case of an emergency, please call the school mobile on – 07745240035.
- From now until the end of term ice lollies will be on sale on a Friday as school finishes. They are being sold by The Friends who will use the profit to provide equipment and experiences for your children here in school.

Fund Raiser for Sandy Bear

This morning's fundraiser was very successful and at the time of writing we have raised £140. This donation to Sandy Bear bereavement charity will help them to deliver the support to families and children who are affected by the loss of a loved one. It was lovely to see the children in their brightly coloured summer clothes. Many thanks to all of you who contributed to this fundraiser.

RSE – Life to The Full

In September we will begin to deliver our diocesan recommended Relationship and Sex Education programme – *Life to The Full*. The consultation period for this has now closed; thank you to those of you who took the time to share your thoughts and views. This is a statutory part of the new curriculum and will be delivered in all schools. The programme has a website with a parent portal so that you can see what it is all about. The parents' booklet can be found [here](#). In order to access the website, you will need the following username and password:

Username: st-francis-sa73

Password: blue water

We will be sending out a termly overview for the autumn term next month so that you are aware of what is being taught in advance.

The school nurse will deliver the 'Growing Up' talk to pupils in Y5 & 6 on July 13th. This will cover the relevant aspects of puberty. If you do not wish your child to take part, please inform Mrs. Rees.

School trips

We are very limited with where we can take our pupils this year. Pupils in Ramsey Class will be attending a Darwin Science outdoor workshop at Porth Clais on 14th July. We have a group of pupils whose parents are in the Armed Forces taking part in a 'Forces Fitness' Day at Scolton Manor on July 12th. We will make every effort to ensure that each class has an opportunity to take part in a trip/outdoor activity before the end of term.

Parish Links & RE

We are hoping to resume our weekly attendance at Mass in the parish church. Next Friday pupils from Skomer Class will attend Mass. Social distancing measures are in place in the church, so we will only be taking one class at a time. On 29th June we will be joining Fr Andrew Cole to celebrate Mass for the Feast of St Peter & St Paul. Two of our pupils have recorded bidding prayers which will be included in the Mass which will be live streamed to his parishioners and schools. We are focusing on the Mass responses in school at the moment – please see overleaf for the prayer of the month.

This month's parents' TenTen newsletter:

Dosbarth Ramsey	Elle - for always showing kindness to others and willing to help and improved oracy in Welsh. Alexis - for working hard with her reasoning tasks this week.

June Prayer of the Month

Holy, holy, holy Lord, God of power and
might,
Heaven and earth are full of your glory,
Hosanna in the highest.
Blessed is He who comes in the name of the
Lord,
Hosanna in the highest.

Dear God,
Speak to our hearts and help us to
see that we are one big family.
Old or young, short or tall, wherever
we live, you made us all.
Help us to share, however hard it
seems, to make our world fair,
And live out our dreams.

Amen.

The coronavirus pandemic has had a major impact on health and care services. As a result, the Health Board now wants to learn from the public about how the pandemic has affected their health and care, and access to it. For further information:
