### Reminders

- Pupils may now wear summer uniform; we hope that the weather stays fine and warm enough for pupils to enjoy playing out without a coat, but on chillier days, please may these be sent in.
- Please try and arrive on time for the school day. There is considerable disruption in the class when pupils arrive late, and your child may have missed important parts of the first lesson. If you do arrive late, please go to your allocated entrance and call the school office to let them know that you are waiting.

### Our School Environment

Our two Faith Ambassadors, Cerys and Layla accompanied Mrs. Allen and myself to the garden centre this week to buy a water feature, plants and pots for our new prayer garden. We will be having a small area in the garden dedicated to Our Lady and another to St Francis. This morning the girls worked hard to ensure that all plants were potted and watered, and I am delighted to say that it is now looking very impressive. The garden is being dedicated to the memory of Mr. David Burgoyne, our late Chair of Governors, and Mrs. Louise Williams, a long-standing member of our teaching team. The final unveiling will be next week when we will share photographs with you.

### Sports' Day

Although this cannot go ahead in its usual format, we very much hope that we will be able to hold the next best thing. Our *'Sports, Health & Fitness Week'* will be held the week commencing May 24<sup>th</sup>. Each class will be allocated their sports' day and will be recorded for you to watch. The usual stickers and certificates will be given out. There will be lots of activities around the theme of keeping ourselves fit and healthy throughout the week.

### Multi-Cultural Week

This takes place during the week commencing May 17<sup>th</sup>. Each class will be investigating the cultural identity of a chosen country and learning all about the similarities and differences compared to life here in Wales. The week will culminate with each class sharing all that they have learned with the rest of the school during our Friday morning assembly.

### Parish Links & RE

This week we began our First Holy Communion preparation sessions. All pupils have been given their books which we have begun to work through. We enjoyed a virtual session on Monday along with the candidates from Mary Immaculate School. Please could forms be returned as soon as possible so that we may pass them on to Fr Paul.

## ALN Survey for Parents

**Parents and carers of children with Additional Learning Needs( ALN) – Do you know the way children and young people with ALN receive support is changing in Wales?**

We really want to hear from parents and carers about these changes here in Pembrokeshire. We know that, to ensure the best outcomes for children and young people, it is important that all partners work together - and this includes parents. Please take 10 minutes to give your views! The link [HERE](#) to the survey gives parents an opportunity to contribute, and to help develop how information about this support and provision for children and young people is delivered in Pembrokeshire.
