Reminders

- Please could I remind you that you should not be driving up to school unless you are registered as a blue-badge holder. The governing body do occasionally give them out for other exceptional circumstance, so if you think that you fall into that category, please inform us. If not, please could we ask for your co-operation in keeping our school site safe? Please could all permits be displayed. There will be no entry without them.
- All pupils with hair below collar length are reminded that it should be tied up during the school day. This not only looks smarter but keeps it cleaner and avoids the transmission of nits.
- The Y6 leavers' photographs will be taken on the morning of June 11th. Please could all pupils wear summer uniform.
- We break up for half-term next Friday. Pupils return to school on Monday 7th June. Let's hope the weather improves by then.

Multi-cultural Week

There has been much excitement this week as pupils have been learning about a range of other countries and their cultures. It has been lovely to involve those pupils who have relations in those countries and hear about their experiences of visiting them there. Many thanks to Harrison's mum who must have spent ages putting together some wonderful photo collages and maps showing where Harrison's relations live in Sicily. The children shared their learning in this morning's assembly. Lots of amazing facts were shared, they have all clearly had a great week.

Sports' Day

Our Health and Fitness week will take next week. Class sports days that week are as follows –

Starfish	Friday morning
Dolphins	Monday afternoon
Puffins	Tuesday afternoon
Skomer	Tuesday morning
Ramsey	Wednesday afternoon

We will be visited by Sports Pembrokeshire leaders who will deliver a range of different sports to each class. Pupils may wear their house colour t-shirts or school PE t-shirt into school with shorts/leggings/joggers on the day of their sports only. School uniform is to be worn on the other four days. The children have been busy practicing their races this week and we all hope that the weather will stay fine and dry for all classes next week.

Shields

If you have any of the merit shields at home, please could they be returned as soon as possible so that we may prepare for this year's recipients. Although we will probably not be able to give them out again this year, we would very much like to get the children's names engraved on them.

Parish Links & RE

There is currently a questionnaire available for RSE for you to give your views on which we would very much appreciate. The consultation period on this is open for another week. Decisions will be made based on the feedback that we receive from you as the pupils' parents. We really want to get this right for your children and consider your opinions to be the best with regard to this sensitive topic.
