- Please could I remind you that you should not be driving up to school unless you are registered as a blue-badge holder. The governing body do occasionally give them out for other exceptional circumstance, so if you think that you fall into that category, please inform us. If not, please could we ask for your co-operation in keeping our school site safe? Please could all permits be displayed. There will be no entry without them.
- The Y6 leavers' photographs will be taken on the morning of June 11th. Please could all pupils wear summer uniform.
- We break up for half-term today. Pupils return to school on Monday 7th June. Let's hope the weather improves by then. I hope that you all have a very well-deserved break.
- From after half-term the healthy option of fishcake and bubble salmon will be available on a Friday again on alternate weeks.

Health and Fitness Week.

This was a tremendous success and was very much enjoyed by all who took part. Unfortunately, the weather wasn't on our side for most of the week, but that didn't stop the children's sporting spirit. The week culminated this morning with a circus skills workshop held by Sports Pembrokeshire staff. We were also visited by Sanna Duthie who recently set the record for running the coast path. All KS2 pupils listened to her talk about the experience and had the opportunity to ask questions afterwards. She was truly inspirational and certainly gave the pupils food for thought in terms of commitment, focus and not giving up.

Congratulations

We would like to offer our congratulations to four past pupils who have recently been appointed as prefects in Milford Haven school. Out of the 16 who were appointed, 4 have come from St Francis. Ella Trueman has been appointed as senior prefect (Head Girl) with Ethan Clancy, Billy Bowen and Kacsper Szelagowski all being appointed as prefects. We are very proud of their continued success and wish them well in their new roles.

Swimming Lessons

The leisure centre has confirmed that pupils in Ramsey Class will be starting weekly swimming lessons from Wednesday June 16th. Unfortunately, at this time there is no capacity for other KS2 pupils to have lessons this term. Their lessons will start after the summer holidays.

Parish Links & RE

There is currently a questionnaire available for RSE for you to give your views on which we would very much appreciate. The consultation period on this is open for another week. Decisions will be made based on the feedback that we receive from you as the pupils' parents. We really want to get this right for your children and consider your opinions to be the best with regard to this sensitive topic.

The volunteers at [Milford Haven Museum](#) are just finishing preparations to re-open this weekend, and with an impressive new rendered exterior finish, they are very much looking forward to welcoming guests in 2021. Stay in the loop and keep updated with their opening hours by checking out their [Facebook page](#) or giving them a call on 01646 694496. Our pupils have visited the museum in the past and have all found it a very worthwhile trip. A great day out for half term!
