Reminders

- Pupils may now wear summer uniform; we hope that the weather stays fine and warm enough for pupils to enjoy playing out without a coat, but on chillier days, please may these be sent in.
- Please remember to maintain social distancing when dropping off in the morning and collecting in the afternoon.

Welcome Back

It has been a pleasure to welcome all of our pupils back to school this week. They look refreshed and ready to go for the busy term ahead. It is still a great shame that we cannot all meet as a whole school. Several pupils have commented on how much they miss the whole school assemblies where all of the children got to see each other and share our weekly celebrations in the school hall. On a Friday morning we now hold a virtual assembly where we get to share the week's achievements with each other and have the opportunity to see each other in their classrooms. We await further information from the local authority on being able to ease restrictions on breakfast club and Friday afternoon provision. We also welcomed five new nursery pupils this week; they have settled well and we hope that they continue to enjoy their time with us. This is the final term for our current Y6 pupils. We plan to ensure that they have the opportunity for all of the fun events that would normally take place towards the end of their time here. Unfortunately, not all events will be possible, but compromises will be made where possible.

Our School Environment

This week we took delivery of 14 trees which were donated by Milford Haven Port Authority. Our Eco-warriors will be in charge of deciding where to plant them and maintaining them. Our two Faith Ambassadors, Cerys and Layla, have been tasked with redesigning the prayer garden. They have done some research and now have a plan of what they would like to include. They shared their ideas with the whole school in this morning's assembly. We look forward to sharing the final results with you in a week or two.

Sports' Day

Although this cannot go ahead in its usual format, we very much hope that we will be able to hold this event. We are hoping to have a 'Sports, Health & Fitness Week' before half-term when the class sports will take place. We will inform you of the dates once they have been confirmed. The children are enjoying their Wellbeing Wednesday sessions, particularly this week when the most has been made of the fine weather. These sessions will prepare them for the races which will be held during the week's planned activities.

Parish Links & RE

We will be starting the First Holy Communion preparation very soon and will be joining some virtual sessions with the candidates from Mary Immaculate School. Baptismal application forms and First Holy Communion forms will be sent home today. Please may these be returned to school as soon as possible so they can be passed on to Fr Paul?

ALN Survey for Parents

Parents and carers of children with Additional Learning Needs(ALN) – Do you know the way children and young people with ALN receive support is changing in Wales?

We really want to hear from parents and carers about these changes here in Pembrokeshire. We know that, to ensure the best outcomes for children and young people, it is important that all partners work together - and this includes parents. Please take 10 minutes to give your views! The link [HERE](#) to the survey gives parents an opportunity to contribute, and to help develop how information about this support and provision for children and young people is delivered in Pembrokeshire.

Dear Jesus,
You are alive!
You are with me, my friends
and my family every day.
Thank you for the good
people and things in my life.
Amen
