

# Dosbarth Skomer Curriculum Letter - Autumn 2019

@DosbarthSkomer

## Science

Throughout the term there will be dedicated lessons taught during topic sessions. Our focus this term will be discovering the body's main organs, their size, function and position. The children will also investigate the human lifecycle..

## Topic

Our first half-term's topic is 'Time Travellers'. Throughout this topic the children have chosen to study; the Romans, Milford Haven's historical past, whaling around the globe, time and clock mechanisms, and Doctor Who. We will be exploring this topic across the curriculum which will support literacy, numeracy and ICT skills development..

## Notes

Homework - Handed out every Friday, to be back on Wednesday.

Diaries - To be brought in everyday with individual reading book.

PE- Every Wednesday. Full PE kit to be worn.  
Year 5s are swimming this term..  
Diolch, Miss Gallagher.

## R.E

The children will be taught the following 'Come and See' topics: 'People' (God's family), 'Called' (Baptism/Confirmation) and 'Gift' (Advent/Christmas). We will also take part in collective worship and attend Mass every three weeks.

## Welsh

The children will study a variety of sentence patterns to describe myself (fy hunan), family (teulu) and homes (cartrefi). The children will also have daily oracy sessions to support their Welsh language development.

## Literacy

The children will cover the following topics this term:  
Non-fiction: Instructions and Information texts.  
Fiction: Playscripts and Poetry.  
The children will have opportunities to develop their literacy skills across the curriculum..

## Maths

This term the children will study place value, analogue and 24 hour clocks, using mental and written methods for addition and subtraction, estimating and verifying, measuring length, drawing and measuring angles, 2D and 3D shapes. We will also have opportunities to practise our problem solving and reasoning skills..
