### Reminders

- Clubs have now started back this week. Please check the website to see what clubs are available that your children may want to attend.
- There was a memo sent home this week about the dangers of driving up to school without previous consent given by the Chair of Governors. It has been reported that foul language has been used against the person employed to keep our children safe at the front gate. This is unacceptable behaviour and will not be tolerated. Please be advised that number plates will be logged from next week.

### Disability Training

On Tuesday afternoon, year 5 and 6 from Dosbarth Skomer and Ramsey took part in disability sport training ran by Sport Pembrokeshire. The children had lots of fun while gaining an insight in to how to make sport inclusive for all. Diolch yn fawr i Rominy from Sports Pembrokeshire for running this fantastic session.

### Parental engagement

There was a fantastic turn out from the parents and grandparents of children in Dosbarth Dolffin on Tuesday who attended the Physical Literacy workshop led by Sport Pembrokeshire. The children and adults were shown a wonderful variety of ways in which they can develop their physical skills at home. Equipment bags will be sent out to the first group of children next week.

### UWTSD: I:Aspire Workshop

On Wednesday, year 5 and 6 from Dosbarth Skomer and Ramsey were very fortunate to have the opportunity to attend the University of Wales Trinity Saint David Carmarthen Campus for an I:Aspire workshop. The children had an insight in to career choices for the future, what life is like at university and they even got a chance to take a tour of 'Yr Egin', the S4C headquarters, which they were very excited about!

Three classes above 95% - diolch yn fawr for your support with this matter. Our attendance ambassadors are doing a great job!
