Reminders

- Important dates: Leavers' Mass and concert is on Thursday 18th July and the INSET day is on the 22nd July.
- There is a noticeable increase in the amount of large colourful bows/hairbands being worn into school. They are a cause of upset and are distracting children from their learning. Please ensure they are not worn to school.

Achievement Assembly

What an emotional morning! It was a huge success this morning with a real celebratory feel for all pupils. Congratulations to all of those pupils who received their very well deserved awards. Thank you to the family, friends and governors who came along to share in this special assembly.

A new award 'Lifetime Achievement Award' was given this year to Mrs Arnopp-Rees! The children showed a video they'd made of how much they will miss her along with some favourite memories some including PE sessions to Abba! I'm sure you will join us all, including past pupils and parents, in thanking Mrs Arnopp-Rees for her dedication, support and loyalty to our school. We can't put how grateful we are for the positive impact she has had on families for the past 22 years into words, so hopefully this special day has shown her how much we appreciate her.

School dinners

We have been informed this week that from September infant school dinners will cost £2.45 and juniors will cost £2.55.

If you are unsure if you are entitled to free school meals please read the FAQs on the link below. Mrs Thomas in the office is willing to help too.

Parental engagement

A wonderful afternoon was had by all in Dosbarth Caldey when they celebrated their Wiggle and Crawl topic with their friends and family. The children presented their learning to the parents and released the beautiful butterflies they've watched grow into the wild!

As you can see this week's attendance is just below our target of 95%. On the whole this year's attendance so far is better than that of last year so thank you for your support. Da iawn to Dosbarth Ramsey who won this week.
