Reminders

Please note that the school site remains a dog and smoke free zone. You are kindly asked not to smoke or bring dogs onto any part of the site.

- We would like to wish you all a very happy new year and extend a warm welcome back to you all. We have been joined by new nursery pupils in the afternoon who have had a busy – and very tiring – week. Three of our nursery pupils are now here all day and have been very kind and helpful in helping the new pupils to settle in.
- The class curriculum letters are no longer going to be sent home as a hard copy. They are being uploaded to the class pages of the school website where you will be able to access your child's curriculum content for the term. There will also be a hard copy posted at each of the pupil entrances. Should you wish to have a hard copy please speak to your child's class teacher.
- We were visited by our police school liaison officer PC Jenny Thomas this week who delivered a session to Ramsey Class about the use of social media sites. Please be aware that pupils under the age of 13 are not meant to be using any of the social media sites. This will be followed up with a workshop for parents at a later date.
- Please could I ask you not to congregate in the outdoor classroom area at the end of the school day. This area is for the children's use and the garden is maintained by Mrs Harding and the gardening club. It is in regular use by the children from key stage 2.
